Agency:	Department of Homeland Security

Contingent upon the enactment of H.R. 2882, this email apportions the 2024 budget authority of \$9,564,968,000 to TAFS 70-0550-2024 and reapportions TAFS 70-0550-2024-2025 (previously approved on March 1, 2024) to reflect the \$600,000,000 final appropriation for FY 2024. This budget authority is in addition to any anticipated or realized spending authority previously apportioned. The goal of this apportionment action is to provide sufficient funding immediately so that TSA can begin the accounting process of recasting obligations and expenditures made during the period in which the Continuing Appropriations Act, 2024 (Public Law 118-15, as amended) was in effect pursuant to section 107 of such Act.

TSA is required to come in as soon as possible with account-specific written apportionments for the TAFS apportioned above and such reapportionments shall be in accordance with the procedures identified in section 120.62 of OMB Circular A-11.
