From March 2025 until OMB's apportionment database was again made publicly available in August 2025, rationales for footnotes in the following TAFS were not provided. Such rationales are now provided below pursuant to section 204 of division E of the Consolidated Appropriations Act, 2023 (Public Law 117-328).

[Rationale: Footnote signifies that this TAFS has received or may receive an automatic apportionment.]

- TAFS 069-2022-2032-1750; footnote A1

[Rationale: Footnote specifies the source of funding.]

- TAFS 047-2021-2025-0616; footnote A1

[Rationale: OMB requests additional information on programmatic spending for some or all of the apportioned funds.]

- TAFS 069-X-1752; footnote A1

The apportionments (including any footnotes) associated with these rationales remain unchanged. These rationales have no legally binding effect on the underlying apportionments.
