

### OMB Approved Apportionment – FY 2026

Approved by:	Program Associate Director for National Security Programs /s/ signature
Signed on:	November 14, 2025
Agency:	Department of War

This letter constitutes a reappropriation of amounts appropriated to the Department of War (DOW) pursuant to the Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2026 (the “Act”). This apportionment supersedes the automatic apportionment of such amounts by section 120.41 of OMB Circular A-11. Amounts apportioned by this letter shall be in addition to carryover and reimbursable authority previously apportioned in such accounts.

I hereby apportion to the relevant Treasury Appropriation Fund Symbols (TAFS) a pro-rata share of each amount provided in the Act equal to 72 calendar days of funding based on the annual appropriations provided in the Act, as specified in the enclosed Table 1.

Specifically, amounts are apportioned as necessary for the purposes of the TAFS listed in Table 1, including to liquidate valid obligations incurred during the FY 2026 lapse in appropriations consistent with section 124.5 of OMB Circular A-11, and to make any payments for personnel pay, allowances, and benefits in each department and agency consistent with section 1341(c) of Title 31, United States Code.

DOW should follow this apportionment with account-specific apportionments for each TAFS within 10 calendar days, consistent with OMB Circular A-11 sections 120.23 and 120.48. Additionally, the Department head should disseminate this reappropriation to the relevant officials and staff.
